Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

DETAILED ACTION

The amendment filed before proposes amendments to final rejection that do not comply with 37 CFR 1.173(b)(2) and (d), which sets forth the manner of making amendments in reissue applications. A supplemental paper correctly amending the reissue application is required.

A shortened statutory period for reply to this letter is set to expire ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this letter.

“Please note for changes to the claims, one must submit a copy of the entire patent claim with the amendments shown by underlining and bracketing, e.g, claims 30,33-34,43,55,78,83-84,86-87,90-91.” (For example), applicant’s attorney argues that claim 30 is listed as “new claim”. However, claim 30 currently listed as “amended”.
